

Subject / Finding Aid Matrix for Records on Foreign Intelligence in Canada, 1945-2000

15 March 2023

This matrix provides general guidance on which finding aids are most likely to be of relevance to researchers seeking records on the subjects listed below. It should be used in conjunction with the List of Finding Aids for Records on Foreign Intelligence in Canada, 1945-2000 ([link](#)). This matrix does not provide a complete listing since other relevant files may be dispersed across other finding aids. Additional relevant files, particularly for the period up to 1950, may be identified via LAC on-line “Collection Search” function.
